

Sunday School team!!!

We did a Great job last year so I am going to do this again with your help and Thrivent Action team!!!

I have been in contact with the Lakes Crisis center in Detroit Lakes. We are going to help a family in need and get them some Christmas gifts. The family we are going to support is a mom with 3 children. She has 2 girls and 1 boy.

This family came to the crisis center with nothing so keep that in mind that anything will be helpful and appreciated. They are rebuilding their life.

We are going to make their Christmas happy!

**Girl age 8
Girl age 5
Boy age 3
Mom**

I have talked with the crisis center and the family would take gently used clothing if you had some also. House hold stuff also since they are getting started all over again.

If you can support the crisis center also I have included a list of the current needs also.

**Thanks
Kristi Sonnenberg
